Airport Mall Craft Fairs - Rules & Regulations

1) Artists/Crafters vs. Value Added Resellers

There's a difference between Artist/Crafter & Value Added Reseller (VAR) at Airport Mall Craft Fairs. If you purchase the main components & only change them in some way, you're a Value Added Reseller (VAR) & not specifically an Artist/Crafter. For Airport Mall Craft Fairs, you will need to create, construct and/or make by hand the majority of the product you are selling (even if using manufactured pieces) to be considered an Artist/Crafter. Please know the difference when you complete this application. What is definitely not allowed is the resale of manufactured and/or "Made in China" items, please don't bring them to our Fairs.

Do you have an issue with VARs? (Yes / No)

2) Perfumes/Aromas

Please be aware that some people have allergies to certain aromas/scents. Please let us know on the application form if your display/product will have a scent that will be noticeable to your fellow vendors.

Do you have an issue with being next to products that have an aroma or scent to them? (Yes / No)

3) Live Floral

Live Floral is not allowed as a product for sale by any vendor. 20% artificial floral will be allowed as part of your product.

4) Vehicle Make/Model, License Plate Numbers & Parking

We ask for your make, model and license plate number of your vehicle on the application form so that we can find you in case of emergency. You may need to move your vehicle... You may have left your lights on... You may be illegally parked...

Please unload at the side doors by the Griffin Road entrance - near the Smoke Shop & BMW. IF other doors are unlocked and closer to your space you may unload there, please DO NOT drive onto the sidewalks, but you can enter the yellow lined zone for a quick unload and moving of your vehicle. Vendor Parking will begin TEN SPACES AWAY from Mall Entrances. There will be NO all day parking in the Public Handicap Spaces. The first 10 spaces will be reserved for customers. Please allow them access to those spaces so they may easily come in and purchase your products.

5) Electricity

When and where available, Electricity is offered to you for free. You will be placed as close to an electrical outlet as possible. However, it would be wise to bring a long, heavy duty, extension cord as you may have a reach of up to 50' to an outlet.

6) Space Sizes & Fire Code Requirements for All Public Walking Paths

Spaces are 60 square feet. Center of the Mall spaces are 10' wide by 6' deep. Wall Spaces are typically 15' wide by only 4' deep. All walkways are to be 6' wide. Be aware of this as you create your display, please maintain borders and work with your neighbors.

7) Times: Set Up, Show & Breakdown

Set up is 7 AM to 9 AM. Airport Mall Craft Fairs are open to the public from 9 AM to 4 PM on Saturday Only fairs. Two day events are: 1st Day: 9 AM to 8 PM (we close whenever the Mall does), 2nd Day: 10 AM to 4 PM. The Mall will be locked to everyone at 5 PM on Sunday, breakdown may begin anytime after 3 PM Sunday to effect exiting Mall in a timely manner. Any vendor who breaks down early without permission - the promoter reserves the right to reject any/all future applications or not observe/reserve any specific space for these vendors at future events. One Day Vendors at Two Day Fairs will be placed in spaces where their absence on the 2nd Day won't be visibly noticed by the public - these probably won't be spaces a vendor normally requests.

8) Vendor Responsibility

Vendors are responsible for their space, product and table. All tables are to be rubber/plastic bottomed legs and be covered on all public facing sides to the floor. Tables may be rented but chairs are the vendor's responsibility to bring. All vendors are to clean their area of all product, displays and debris before leaving the Mall.

9) Voluntary Advertising Donations

Having been told before taking over the Fairs - there needs to be much, much, more event advertising. Some vendors have said they are willing to donate money to that cause. Those that wish to, can, on this line item. All this money will go directly to Ads!

**Airport Mall Craft Fairs
Floor Plan Spaces**

Center Mall: 10' Long x 6' Deep
Wall Space: 15' Long x ONLY 4' Deep

MAP IS NOT TO SCALE!!

Mapping Of Spaces Is Based On A Complex Formula, But You May Use This Map To Indicate Top 3-5 Spaces In Order Or Designate Areas Of Interest.

Space Assignments Are At Promoters Discretion And Are Final Upon Day Of Fair
